

Gabriela Szymanowska

Reporter and Visual Journalist

RESUME OBJECTIVE

Journalist with 4+ years of experience producing multi-media content, conducting in-depth research, and maintaining flexibility to meet deadlines. Looking to leverage my knowledge and experience into a role as editorial reporter and visual journalist.

EXPERIENCE

General Assignment and Breaking News Intern

Knoxville News Sentinel, Knoxville, TN / June 2019 – August 2019

- Produced articles ranging in topics while maintaining time management and flexibility for priority focused assignments
- Researched, attained and proposed ideas for articles
- Explored the impact and use of social media in a newsroom setting while utilizing the different platforms to promote content
- Maintained utmost discretion when dealing with sensitive topics while working on breaking news
- Conducted in-depth research through multitude of interviews, public and county records

Editor-in-Chief, Photo Editor, Campus News Editor, Senior Staff

The Daily Beacon, Knoxville, TN / September 2016 – Present

- Guided, supervised and motivated team members to expand their growth through assignments while meeting deadlines
- Identified strong candidates with diverse backgrounds to expand the newsroom
- Captured and requested photos for editing on Adobe photo editing software; collaborated on video production
- Interviewed, transcribed and wrote over 70 articles that were published both online and, in the paper
- Investigated stories of sensitive information; published articles that broke news stories

News Reporter

Altmedia, Sydney, NSW, Australia / February 2019– April 2018

- Cultivated intercultural communication skills working in diverse office and through interviews of locals and authorities in Sydney
- Collaborated on assembly of list of local business promotions for a shop-local guide
- Participated in the design process of the paper and newsletter while editing stories of other reporters
